Testimony at Nov 2011 Hearing Regarding Winter and Water.docx

Hi Eric,

The attached testimony is from the Public Hearing held in November 2011. It is the testimony that refers to paddling on the river in the winter. Sharon wanted to be sure that you address this in your section. AR-1119 contains the entire transcript; the attached is just a cleaned up version of the applicable testimony converted to Word for your convenience.

Thanks.
